

WOMEN

MEASUREMENTS

A: Bust

Measure around the bust, passing the tape measure under the arms. The tape should sit snugly against your body, but should not be pulled too tight. Make sure to keep it horizontal and parallel to the floor.

B: Waist

Measure your natural waistline, at the narrowest point of your waist. The tape measure should sit snugly against your body without pulling.

C: Hips

Measure around the fullest point of your hips, keeping the tape measure parallel to the floor.

Women's Clothing

Find your perfect fit. From impeccably fitting down jackets and knits, to t-shirts or trousers - measure, compare, and discover your ideal size.
