

## DONNA

### How to take your body measures ?

#### Tops

##### 1 Chest size:

Take the measurements at the widest level of the chest, placing the tape horizontally, under the armpits.

##### 2 Waist size:

Take the measurements at the narrowest level of the waist, placing the tape horizontally at the hollow of the waist.

#### Bottoms

##### 3 Around the belt:

Take the measurements by placing the tape horizontally, at the level of the belt, about 10 cm below the navel.

##### 4 Around the hips:

Take the measurements by placing the tape horizontally, around the widest part of the hips, about 20 cm below the waistband.
