

Freegun size guide Men : Boxers, briefs and briefs

Take your measurements to choose your underwear size

To choose your underwear, it is first necessary to know your exact size. To do this, base yourself on your hip circumference: measure horizontally at the widest point of the pelvis, at buttock level, and note the size in centimetres that you have just obtained. This measurement will give you your exact size. Then refer to the size guide below.

How do I choose the size of my Freegun boxer shorts?

Size according to stature and weight	Correspondence	Waist circumference (in cm)	Pelvis circumference (in cm)
